MESSAGE FROM THE PRESIDENT

Welcome to Avila Athletics! The Avila College community is proud of its student-athletes, coaches, athletic administrators, and fans. They know the value of athletics and respect its role in carrying out the mission of Avila College. Avila athletes are expected to meet the challenges presented to them in the classroom, just as they do in the competitive arena.

I want to thank our coaches, athletes, and fans for their dedication to Avila and the ideal of sportsmanship. I would also like to thank the Booster Club for its leadership and support provided to the athletic programs. Avila athletics would not have been possible without the enthusiastic support and loyalty of our boosters, fans, students, faculty and staff.

We are also proud to welcome two new sports--Women's Softball and Men's Baseball--to our program this year.

Thank you for your interest and support!

Message from the Vice President

Thomas Lease,
Vice President and
Dean of Students

Welcome to **Avila College**, home of the **"Avalanche"**. The Intercollegiate sport program is one of dozens of opportunities at Avila, through which students grow and learn. Through participation in our sports program, we attempt to contribute to the development of values, skills, and understandings which fulfill our role as an institution of learning.

Avila is proud to be a member of the **National Association of Intercollegiate Athletics (NAIA)** which emphasizes competition as recreation in small college environments. The philosophy of the college and our athletic department guides our decisions, our programs and our students who participate, without the pressures which endanger the health of sports on many campuses.

We thank you for your support of our program. The growth experience socially, physically, emotionally, intellectually, and spiritually is not limited to those who play the game. We hope you find relaxation, satisfaction, and great fellowship in sharing the Avila experience.

Head Coach and Director of Athletics: Scott Royal-Ferris

Manager: Jeff Kuhns

SCOTT ROYAL-FERRIS
Director of Athletics
Soccer Coach

Coach Royal-Ferris came to Avila in 1983 after five years as Head Coach at his Alma Mater, Western Michigan University, a NCAA Division I program, where he also received a Bachelor's Degree in Physical Education and a Master's Degree in Athletic Administration. In 5 seasons Scott has claimed 3 District 16 Championship games, winning the 1987 District 16 and Area 4 titles. His record at Avila stands at 80-27-17 and he had a career record of 113-66-29 over 11 years.

Scott looks forward to the growth of the Athletic Booster Club here at Avila, and this year's new addition of Men's Baseball and Women's Softball. This summer will feature Avila's expanding Sports Camps--- featuring 4 Soccer Camps along with boy's and girl's Basketball Camps.

SEASON IN REVIEW

The drought that faced the nation in 1988 continued for the Avila Soccer Team this past fall. The defending District #16 Champions and National Tournament qualifiers in 1987 started and finished the 1988 season on the same note. Opening at Kansas Newman College on August 31, the Avalanche squandered at least a dozen scoring opportunities while Newman had one shot on the Avila goal. The game ended 0-0. In the first round of the District Play-offs the same story was to unfold. The Avalanche missed on three breakaways, ten corner kicks, and numerous other chances and allowed 1 goal on 2 shots. This eliminated them in the first round, keeping the Avalanche from their third straight District Championship game. Avila finished with a 11-7-3 record having six, one-goal losses, all to Top Twenty teams. The Avalanche lose to graduation Co-Captain, Steve Foerstel and Gary Myers, #2 Scorer, Scott Anderson, Back, Mike Brown and Goalkeepers, Dan Mabrey and Gary Matson.
